## BEARD SPEAK AGAIN

By Bob Jenkins

Welcome to year 60 of the ESCA experience.

I hope everyone enjoyed the holidays and are now ready for a fun new year.

ESCA closed out 2022 with two events, first our Annual Banquet at Cattlemen's on a very windy rain filled day, that did not dampen the festivities, and the sun did come out as we delivered the toys to the fire department. The second was the Christmas Lights Tour with a small turn-out, cool and clear weather, and a nice selection Santa Rosa and Windsor lights, a great event to end another ESCA tour year.

After putting together this year's Christmas Lights Tour with Marci, it reminded me why I quit putting on night rallies ending with ESCA 20<sup>th</sup> Annual Trick or Treat Rallye, back in 1982, it is just WAY harder then day events, as you have to do everything twice.

Going into 2023 we will continue with in-person and ZOOM meetings. At the first meeting in January we will once again be looking for members to fill the Committee Head positions and it would be nice to see people step up and volunteer.

We also will try and plan out the events for the year. So far on the calendar is the Annual April Fools Rallye that will be on Sunday, April 2<sup>nd</sup>, again starting from the Snoopy Ice Arena parking lot.

And as this is ESCA's 60<sup>th</sup> year it would be great to have some kind of party to celebrate this amazing occasion.

Please come to the meeting and let us know what events are on your wish list.

At the past few months the number of people at ESCA ZOOM meetings has really fallen off and its the same small group of people coming to the in-person meetings, so what is the reason? Please tell me, so the Board can see if we can do something to fix it, as running this club without the help of the membership is really hard to do.

Also, at the last couple of meetings there was talk of going down to Rohnert Park in the winter months and doing some

(continued in [next column](#))

Go-Kart racing at the new place called K1 Speed, which is located in the same building as the place we raced in past years. Word is, it is a much better set up, so keep your eyes open for more information.

On a final note it is time to pay your 2023 dues, so come to the in-person meeting and pay or send you check to the ESCA Post Office Box, or you can also pay them at Mortosports Reg., see details on [page 8](#) of this Pit Stop.

See you at a meeting.

## ESCA's 2022 Banquet

By Marci Jenkins

Our 59th Annual Meeting and Installation of Officers was held last month, on December 10th.

ESCA's enjoyed a variety of entrees and lots of visiting. Introductions included a little know fact. That was interesting!

The meeting included committee reports and the treasurer report. Autocross awards were given out. After the Installation of the new Officers. The club presented our out-going chairman, Bruce, with an over-size canvas photo of him autocrossing his Porsche. He jokingly said that he was glad the photo did not show any knocked over pylons.

This year we continued the tradition of a toy drive. The toys were delivered immediately after the Banquet. Luckily the rain had stopped for our tour to the Santa Rosa Fire Department.

## 2022 Christmas Lights Tour

By Bob Jenkins

We started with 6 cars, then there was 5, and finally 4, which made it easy to keep everyone together.

To start we met in the Starbucks parking lot at the corner of Guerneville and Fulton roads exchanged greetings, passed out instructions and light bulb stickers for the rear end of each car, took the usual pictures, found we had only two working radios, so Blain & Karen Hendrix in their VW, took tail with their working radio. Donnie & Amber Bamberg with baby Tyler already on his second lights tour at less than 2 years of age, in their BMW. Followed by Mark Burchill & Mel Konrad also in a BMW, and tour leaders Bob & Marci Jenkins and camera holder, Lu Kistner, in Bob's Lexus.

The tour left start right on time and soon were at the first lights stop on Drury Ln. off Hall Rd. There we parked made a tour of the mechanical objects and Christmas Lights including a train. Then it was over to Peterson Ln. and the Coffey Park area where we got a big surprise. Heading down San Miguel around a corner came a large (25-30) group of VW's, old pickups, 50's cars, jeeps, etc. all lit up with Christmas lights, it was a great surprise.

Next, it was over to the Wikiup area and then back across the freeway to a Pit Stop at Carl's Jr. on Airport Blvd. Then it was over to the Windsor Golf Course area, before heading back under the freeway to the Arata Ln. area and then back across the

(continued from [page 7](#))

freeway and down to the Windsor Green, where we were able to find some parking spaces. We parked and walked around the green checking out all the Christmas trees and many of the cars we had met in Coffey Park, and a candy store. After that we mounted up again and headed to the intersection of Starr Rd. and Reiman Ln., except for Mark & Mel who stayed for some food. After checking out the great display on Starr we followed Starr to Mark West Station and over to Slusser and almost to the entrance to our airport autocross site. Then Olivet to Piner, to Willowside, to Guerneville and home.

Ending another fun Christmas Lights Tour.

## Long Ago in Pit Stop

### January 1968

By Bob Jenkins

The 1968 Board of Directors was listed as Chairman Bob Jenkins, Vice Chairman B. Scott Foster, Secretary Lin Smith, Treasurer Frank Jurin, Ex-Officio Kathy Goodwin.

The 1968 Committee Heads were listed as Autocross Chuck Campbell, Funkhana Doug Derr, Rally Dana Nelson, Tour Bob Van Lear, Pit Stop Kathleen Evans, Publicity Faith Verberg, Entertainment Olivia Balsley.

A highlights of the January 2 meeting, stated New car badges had been ordered, and, two new members were introduced, Ben Hall and Larry Wendt. There was to be a club car inspection at the next autocross. At all future autocrosses, all modifides would be required to have roll-bars.

The following gives us an idea of the activities being planned to span the year 1968. A big open autocross at Cotati, a snow trip in February, a trip to Harrah's Auto Collection, bigger and better rallies, some wild, different "closed club" rallies, bigger and wilder Funkhanas, and, more "club" autocrosses.

An Annual **ESCA** Christmas Party article stated the Fifth Annual Christmas Party was held at the Green Mill Inn, in Cotati, with 63 people attending and the guests outnumbered members. **ESCA's** first Chairman Richard Butler and two of our Honorary Members, Ed Hodges and Gregg Wallace attended. Thirteen door prizes were donated by various town merchants for the party stated party host Olivia Balsley.

A New Year's Resolution was to read your **ESCA** By-Laws.

An article about the December meeting clarified the definitions concerning the various types of business conducted at regular meetings, and under Committee reports it stated Committee Head shall stand while giving report and keep it as

brief as possible.

An "Attention Members" statement said that not enough voters were present to pass a measure to change the **ESCA** dues from \$15 to \$10.

A full page calendar showed a Hangover Autocross in Cotati by Marin GT, a small Board (Officers only) meeting at Bob Jenkin's home, a Rally from the Lake Merrit Boat House, a Northern California Sports Car Council meeting, and a Big Board (Officers and Committee Heads) meeting.

### EMPIRE SPORTS CAR ASSOCIATION (ESCA)

**ESCA** was formed on August 3, 1963 as a non-charitable, domestic nonprofit corporation. Our purpose is to: encourage, present, participate in sports car events and exhibitions; to encourage safe and sportsmanlike conduct on public roads; to exchange technical information on engine performance and handling; and to meet other sports car enthusiasts.
