Robert's Roundtable 2025

Hello, [ESCA](#)ns! Our last meeting was jam-packed with new member applications and preparations for the Mother's Day Autocross, so I didn't have the opportunity to present my conclusions from the survey I created earlier this year.

I received 29 responses total, which is around 22% of the total membership of the club as of the April meeting. Based on the demographic data collected, I'm not sure if this is the most representative sample.

Half of the respondents have been members for more than 10 years, but three-quarters of them attended fewer than 5 meetings last year. More than half of respondents live further than 13 miles from the Round Table Pizza where we meet, with a quarter of respondents living 62 miles away or further.

The data did confirm one thing we already knew: Autocross is by far our most popular event, with 62% of respondents saying they competed at least once in 2024, and 80% saying they intend to compete this year.

In addition to Autocross, about half of respondents expressed interest in Picnics/Banquets and Tours. I'm excited to hear that people are enthusiastic about more events, and I encourage people to think about potential tour routes and picnic locations.

More than a third of respondents say that they attend meetings via Zoom "most of the time" or "always," with just under a third "never" using Zoom. Based on the popularity of Zoom shown in the data and anecdotally, I want to look into improving our Zoom experience with better Audio/Visual equipment and a better internet connection, if possible.

My final takeaway for now is that we're overdue for a run of [ESCA](#) member t-shirts. I'll try to find some information on pricing and sizes, then I'll figure out the best way to take orders from interested people.

Beyond that, I think it's difficult to make any confident decisions due to the relatively low number of survey respondents. With this in mind, I will be reopening the survey for the month

continued on the [next column](#)

of June only. Please provide a response if you did not respond earlier this year. All responses are anonymous, so don't be shy!

The front page had information about an [ESCA](#) autocross at the Sonoma County Airport in June, a tour to the Infineon Raceway to watch the WINE COUNTRY CLASSICS, and an autocross video was to be shown at the second [ESCA](#) meeting in June.

Inside were [ESCA](#) AUTOCROSS SITE RULES and autocross Hot Lines for other clubs, a column titled Kevan's Corner by the [ESCA](#) Chairman. Two pages of information on a May [ESCA](#) Autocross, with results showing the event had 37 drivers

and Top Time of Day was Scott Torgerson in his 240Z, followed by Kevan Jurin in a Rotus Super 7, followed by Frank Jurin in his Rotus Super 7.

There was a A LONG AGO IN PIT STOP article on June 1988. And a Rallye article stating [ESCA](#) wins again in the NCSCC Varsity Rallye series with its 40TH ANNUAL APRIL FOOLS RALLYE with a score of 90.214 out of a 100 possible.

A two-page article of an [ESCA](#) 2 day tour to Mendocino by Linda Jurin that talked about the run that went up the coast with an over-night stay at the Hill House in Mendocino and dinner there and a stop on the return run at the Anderson Valley Brewery.

A welcome new members had a list of 7, but none are still members. [ESCA](#) had a Hot Line to call for any changes to events, and we were meeting at the Round Table Pizza at 1003 Guerneville Road in Santa Rosa.

The 2005 [ESCA](#) Board was Chairman Kevan Jurin, Vice-Chairman Paul Ferrin, Secretary Marci Jenkins, Treasurer Claudia Quinlivan, Ex-Officio Blain Hendrix. Frank Jurin was the Autocross Chairman and all committee positions were filled except Entertainment.

ESCA Autocross 05/11/25

By Ed Biglin

With clear skies but lots of wind, [ESCA](#) ran its second AutoCross of the season on Mother's Day at the Sonoma Fairgrounds site. The course, "Mother's Day Mashup" was a long one, using most of the available real estate on the west side of the paddock fence, and even ducking through the fence for a short loop. It had a good balance of right and left turns, with long speedy stretches leading to tight sections where John Castellano said "I had to completely tip toe through."

There were a total of 32 entries, a good number though the site would easily handle quite a few more. That number included a few half-day entries which the Club decided to allow this time so that drivers who had Mother's Day plans would have a chance to attend.

As of this writing, the results are still unofficial, but it looks like Top Time of the Day was taken by Grady Carter in his GTB-s Porsche Cayman 918 (54.176), narrowly edging Thomas Buggia in his GTB-r Toyota MR2 Turbo (54.446).

Here's the class winners

GTA-r – No drivers

GTA-s – Rich Bishop (55.420) 2017 BMW M240ix

GTB-r -- Thomas Buggia (54.446) 1991 Toyota MR2 Turbo

GTB-s – Grady Carter (54.176) 2016 Porsche Cayman 918

GTC-s – John Castellano (56.969) 1960 VW Bug

GTE-r – Micah Bayless (63.091) 1973 Porsche RSR Tribute

GTE-S – Stephanie Brazell (62.816) 2021 Polestar2

The Tour Repour... Tan's Donuts (West) to Oakmont Car Show 5/24/25

By Martin Johns

The Tour from the CAMBODIAN DONUT SHOP to the OAKMONT CAR SHOW received a low quantity/ high quality turn out - thanks for bringing the Jag, Michael Bundy. The route (untested) turned out to be well chosen, a nostalgia trip to the back side of the airport to trigger the security cameras at the old Autocross site gate, followed by a mix of twisting lanes and by-roads round the perimeter of Santa Rosa, plus a short detour on 101 due to a road closure wrongly billed as a ramp closure. Ed's blue Honda S2000 was hailed by the owner of a red one, even though he was driving something else. It was that kind of top-down day. The always eclectic OAKMONT CAR SHOW, serenaded by the ever popular Jaydub and Dino, was overflowing with a record 125 entries. Chuck Banks was there with one of three Pantera's. There were over 30 manufacturers

Those were the days . . .

Entrance to the old [ESCA](#) autocross site at the airport

Cord

continued on the [next column](#)

from AC to Zagato - Ferrari's, Corvettes, GTO's, Z28's, MG's, Thunderbirds, trucks, hot rods, and a healthy contingent of prewars, both WW2 and WW1. Not a single 57 Chevy, they must have been at the more ordinary shows. For me it was the technically advanced FWD Supercharged Cord convertible in near original condition. With the V12 Ferrari a close second. Come on out next year, you'll be glad you did....

~ Martin and Ed

Editor's note: We heard that ESCA members, Charlie Smith (67 Alfa Romeo QuattroRoute Zagato), Terry and Gary O'Connor (her T-Bird and his Woody) also showed their cars.

Chuck Bank's 400hp in 3000 lbs of 50 years ago.
